

DR ANDREW WEIL FOR ORIGINS™ MEGA-MUSHROOM RESTORATIVE SKIN CONCENTRATE

? WHAT IT IS

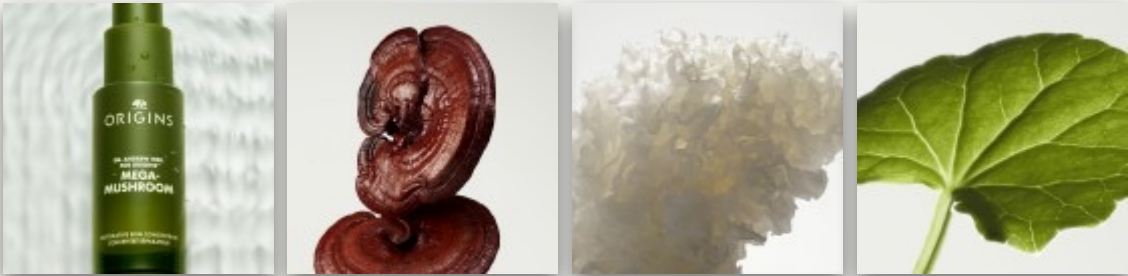

A triple-action comforting concentrate that helps rapidly soothe the look of irritation while helping improve redness and a compromised skin barrier over time with three actions of rescue to Replenish, Recover/Renew, and Increase Resistance in skin’s barrier. The result: Visibly soothed skin plumped with youthful moisture.

DID YOU KNOW?

Over time, daily stressors and age can weaken that natural barrier. As a result, you may see visible dryness, irritation, and early signs of aging. Thus, skin barrier is very important as our skin needs resilience to help resist these intruders.

🧊 KEY INGREDIENTS + BENEFITS

We use ingredients from plant - olive oil and Pomegranate, that have similar composition of essential lipid of skin barrier (essential fatty acids and cholesterol)

➤ PHYTO-POWERED BARRIER DEFENSE COMPLEX

Featuring Brown Algae, Olive Oil, and Pomegranate Sterols. Helps restore skin’s essential lipids to support skin’s protective barrier to help retain moisture and promote resiliency.

➤ MOLECULAR MUSHROOM COMPLEX

With Reishi & Fermented Chaga helps provide visible soothing/calming and redness reduction.

➤ CENTELLA ASIATICA

Aka “Tiger Grass”. Helps soothe skin and reduce the look of irritation.

➤ TREMELLA MUSHROOM

Supports skin’s own ability to hold onto moisture.

🔪 HOW TO USE

Apply Mega-Mushroom Treatment Lotion onto cleansed skin using the “Shake, Pour, Pat” technique. Apply 1-2 pumps of the Mega-Mushroom Restorative Concentrate onto skin using patting and pressing method, followed by Mega-Mushroom Fortifying Emulsion, AM and PM. For extra love/skin kindness, apply a thick layer of concentrate, pat and press onto skin until fully absorbed.

Use as daily care to restore skin barrier. Appropriate for sensitive skin.
